I know Andy has raised this with some of you, but I must emphasize that senior management in Region 3 have made very clear that they must have an opportunity to review the draft Order before it is send to Dupont. **Ex. 5 AC/DP**

concern with keeping the process moving but I suggest that it would make sense to postpone the Monday in-person meeting since it is probably unlikely that Region 3 review will be completed by then.
Please feel free to call me to discuss, but of course I am not the decision maker on this issue.
